

Privacy Policy for Car Whisperer

Effective Date: August 27, 2025

SoftVox Development S.R.L. ("we", "our", or "us") built the Car Whisperer mobile application ("Service") as a commercial app. This Service is provided by SoftVox Development S.R.L. and is intended for use as is.

This page is used to inform users regarding our policies with the collection, use, and disclosure of Personal Information if anyone decides to use our Service.

The Car Whisperer app does not collect or store personal data. However, it may access the user's location solely for functionality purposes, such as providing localized content or services.

The app may request access to your device's location but does not store, transmit, or share this data. Location is only used temporarily while the app is active and never collected.

In case of an error, we do not collect diagnostic data or information from your device. No logs are stored or transmitted.

This Service does not use "cookies" explicitly. The app does not rely on tracking technologies or external web components.

We do not employ third-party companies or individuals due to our no-data policy. No external services have access to your data.

We value your trust. Even though we collect no data, we strive to provide a secure app experience.

This Service does not contain links to external websites.

We do not knowingly collect personally identifiable information from children under 13. The app is safe for all users and compliant with privacy standards.

We may update our Privacy Policy from time to time. Users are encouraged to review this page for changes.
